ACKNOWLEDGEMENT

The satisfaction that accompanies the successful completion of any task would be incomplete without the mention of the people who made it possible and whose encouragement and guidance has been a source of inspiration throughout the course of the project.

It is great pleasure to convey our profound sense of gratitude to our Principal Dr. K. Ramamohan Reddy, Dr. A. Vani Vathsala, Head of CSE Department, CVR College of Engineering, for having been kind enough to arrange necessary facilities for executing the project in the college.

We deem it a pleasure to acknowledge our sense of gratitude to our Professor Incharge Dr. R.K. Selvakumar , under whom we have carried out the project work. His incisive and objective guidance and timely advice encouraged us with constant flow of energy to continue the work.

We also take the pleasure to convey our profound sense of gratitude to our faculty supervisor Mrs. M. Ratna Sirisha under whom we carried our project.

We extend our heartfelt thanks to our Project Coordinator, Mr. N. Yadagiri, for his dedicated support and guidance throughout our project. His organizational skills and constant encouragement were invaluable in helping us navigate challenges and successfully complete our work.

We wish a deep sense of gratitude and heartfelt thanks to management for providing excellent lab facilities and tools. Finally, we thank all those whose guidance helped us in this regard. We place highest regards to our Parents, our Friends and Well wishers who helped a lot in making the report of this project.
